

Mal's Melody Menu

Welcome to my gig. It's free entry, but paid exit! It's a door deal without a door bitch.

You can pay me either by random contribution (notes and gold only) or by ordering from this menu of my songs, for the bargain price of \$5 each (you can share if you're a bit financially challenged). Bonus chocky bikky (from the Buffy tin) or carrot with each request and the chance to pat the fluffy turtle (if you're very lucky). CDs are \$20. Bon appetit!

"Freerange

Who is Mal Webb? Not sure, but these people said these things about him:

"You have an amazing voice, but we don't like your kind of music here" -Year 7 student (Ceduna SA).

"Terribly clever...I haven't heard lyrics like that since Cole Porter" -Phillip Adams (ABC radio).

"It usually doesn't work when people go on after me, but that did"- Bob Downe

"You're a freak"-Ani DiFranco.

"Cute songs"-Kaz Cooke.
